To Whom It May Concern:

The Mansfield Chamber of Commerce Board of Directors would like to thank our 2015 members for their support of our organization throughout the past year. Member dues allow us to provide community events such as the Fabulous 1890's Celebration, 4<sup>th</sup> of July Celebration, Halloween Parade, YHEC, and Home for the Holidays. Membership renewals, as well as new member applications, in 2016 will allow us to continue to improve and hold these successful events.

The Chamber staff had a busy summer as they familiarized themselves with our members by updating the website. The new content management system will allow us to have more control over the information on the site and add member events more quickly and easily. By becoming a member in 2016, your business will receive free increased exposure and visibility through our [website](#) which receives an average of 2,500 hits a month.

In 2016, the Mansfield Chamber of Commerce anticipates adding even more benefits for our members. In 2015 we added the member Lunch and Learns; members also enjoy the benefit of Member Mixers, networking opportunities, and educational speakers at our monthly meetings. All members are invited to attend our meetings held the second Tuesday of each month at the Mansfield Borough Boardroom and to participate in any of our event committees.

Your membership is vital to our success and allows us to accomplish the many important Chamber services and community events! Enclosed, please find a 2016 application and dues structure for you to complete and return to the Chamber Office by **January 31<sup>st</sup>**. Timely membership renewal will ensure your business' heightened exposure on our website and at member functions.

The Board hopes that your business invests in the Mansfield Chamber of Commerce to promote the "*Crossroads of the Northern Tier*".

Best wishes for a successful 2016,

Chris Jones, 2015 President
